

*The Network* allows professionals to meet twice per month in a networking environment to exchange leads and business referrals. *The Network* is intended to be a tool for members to cultivate their business. In order to achieve this, each *Network* Group will include 10-20 Greater Spokane Valley Chamber members from different industries. Participation in *Network* Groups is a FREE service/benefit to our members at the Basic Business Level or above. **Join *The Network* today!**

## *The Network* Guidelines

- One participant per *Network* Group industry category.
  - If your category is filled, you may apply to another *Network* group. If all groups are filled for your category, you may choose to be waitlisted for your category.
- *Network* Group members must be members of the Greater Spokane Valley Chamber in good standing at the Basic Business Level membership or above.
- More than three absences per quarter will constitute removal from the group.
- Group members are responsible for their own meeting logistics and costs.
- A minimum of ten members is needed to create a new group. Groups will have a maximum of 20 members.
- The Greater Spokane Valley Chamber will maintain a waiting list by group industry category.
- A Chairman is elected by group members for a term of one year.
- *The Network* Group will not accept applications from individuals that are members of other *Network* groups.

## Join *The Network* today!
