### Questions

Explain the issue/problem that you are trying to address or correct, your recommended solution, and if appropriate, explain other suggested solutions. Please explain why your solution is the best course of action: Does the issue impact the Greater Spokane Valley Chamber of Commerce and the Greater Spokane Valley community?

Does the issue have a significant impact on the Greater Spokane Valley business community?

Can the issue be measured?

How does this issue fit into the Greater Spokane Valley Chamber of Commerce Legislative Agenda?

Does the issue make the Greater Spokane Valley Chamber of Commerce and the GAC influential, effective and/or impactful?

Can the issue be easily explained and messaged?

Is there a definable time line to accomplish the goal set for this issue?

Please describe those who would be positively and negatively impacted by your recommended solution and explain the impact (economic, operational, administrative, and quality of life).

Please identify those organizations that will be supporting this solution, as well as those who will be opposing it.

Please explain your expectations for the Greater Spokane Valley Chamber of Commerce in advocating for this solution, the resources you anticipate that advocating would take and the time frame for action.

Please attach all supporting research, both pro and con on the issue, or websites and other resources that support or oppose the issue:
